Farringdon is a good-looking residential square of North London within walking distance of many of our favourite parts of the city, with Bank and the financial district are 20-minutes away on foot. You’re 5-minutes away from the Metropolitan, Circle and Hammersmith & City tube lines as well as Farringdon train station with direct lines to Gatwick & Luton airports and St. Pancras International train station for the Eurostar.

And while the financial giants remain in the City, much of the creative sector and smaller start-ups have preferred to extend out into Farringdon ...
