Vauxhall is one of the many neighbourhoods in London that has all that you need to enjoy a spectacular stay in the capital.

Join the Thames Path below the looming MI6 to walk along the river to the South Bank; the other direction is a bit of a building site as the Battersea Power Station development, set to open in 2020, transforms the area. Damien Hirst opened a gallery here in 2015, spear-heading a new mini arts scene.

Vauxhall Tube & Bus Station is right across the road and will get you to all the many attractions of London with ease.
